Night Closures Update

Further works are continuing at Landkey Junction where we are constructing a new roundabout to replace the existing Landkey Junction on the A361.

This will require road closures from:

Monday 26th to Thursday 29th September

20:00 until 06:00

Two separate road closures will be required to work on the West side and East side of the junction respectively.

Initially works will be carried out to the West side of the junction requiring the road to be closed between Portmore Roundabout and Landkey Junction. During this stage the diversion shall be as shown on the Landkey - Barnstaple Diversion Map below.

Then works will be carried out on the East side of the junction requiring the road to be closed between Landkey Junction and North Aller Roundabout. During this stage the diversion shall be as shown on the Landkey - North Aller Diversion Map over leaf.

It is envisaged that these works will need four nighttime closures between 26th and 29th September, but every effort will be taken to minimize the durations and if works get completed early the number of closures will be reduced.

Drivers should expect diversions on all four nights and follow diversion signs associated with separate road closures.

We apologise for any inconvenience

For all Traffic related matters
24/7 call Traffic Safety Control
Officer (TSCO)

Tel: 07889 225393*

Your Public Liaison Officer for
the NDLR is Lynda Sudlow of
Griffiths. She can be contacted.

E: NDLR@alungriffiths.co.uk
